(Loop 360), Building A, Austin, Texas 78731

Preparation Instructions:

Colonoscopy with
Halflytely Prep - Afternoon

Prep-Start Date: _____
Arrival Time: _____

Procedure Date: _____
Procedure Time: _____

Preparation Instructions:

You are scheduled for a colonoscopy, a procedure in which a doctor examines the lining of your large intestine by looking through a flexible tube called a colonoscope. If growths or other abnormalities are found during the procedure, the doctor may remove the abnormal tissue for closer examination or biopsy. **If this is a screening colonoscopy and a polyp is removed or other abnormalities revealed, YOUR CO-PAY WILL CHANGE.** Contact your insurance company to see what your out of pocket expenses will be.

Please remember to arrange for a responsible adult to stay with you during your procedure and drive you home. If you do not have a responsible adult your procedure will be cancelled and rescheduled. Please review the preparation schedule below for the days preceding your colonoscopy. Should you need further assistance please call Dr. Liebermann’s office at (512) 901-7554.

1 Week Prior	1 Day Prior	Procedure Day
