

The Austin Diagnostic Clinic

Pulmonary Lab Pre-Appointment Information

Robert Emerson, MD & Michael Schindel, MD • 460-3401 • adclinic.com

You have an upcoming appointment with The Austin Diagnostic Clinic Pulmonary department. The Pulmonary department is located at 12221 MoPac Expressway North, 1st floor, south wing inside the North Austin Medical Center. The office number is 512-901-4017.

It is important that you bring the following to your appointment:

- **Current list of medications** or the actual medication bottles
- **Insurance Card** - if your insurance coverage has changed since your last visit, please contact our patient service representatives at 512-901-4910 to update your information. If you are uninsured, or do not have an insurance plan accepted by The Austin Diagnostic Clinic, you will be expected to pay at the time of your visit. Please call our Business Services main office at 512-901-4600 if this is a concern.

Appointment Instructions

- No heavy meals within 4 hours of testing
- No smoking within 24 hours of testing
- No Inhaled medications the day of testing
- You may take any pills that you would normally

Changing your Appointment

If you need to change your appointment, or you are unable to keep this appointment, please notify our office as soon as possible. We will be happy to reschedule.

Appointment Scheduling

Many of our sections, including Pulmonary, offer appointment requests on-line. Please go to our website, www.adclinic.com, and click e-Access to register. It is the secure and easy way to stay connected to ADC.

We know you have a choice when selecting your healthcare and thank you for choosing The Austin Diagnostic Clinic. We look forward to seeing you.
