

ADC Menopause and Osteoporosis Center

12221 MoPac Expressway North, South Entrance
 (inside St. David's North Austin Medical Center)
 Mary Gasal, MD, Patricia Gunter, MD and Michele McDermott, MD

How to reach our office when you arrive:

- Enter the **SOUTH** entrance, turn left and walk to the South elevators.
- When you reach the elevators turn right and go around the elevators. (You will be standing behind the elevators)
- Walk towards the NAMC Rehabilitation Desk
- Turn left when you reach the NAMC Rehabilitation Desk
- Walk through the open double doors
- Check-in at the Menopause and Osteoporosis Center desk

After check-in:

Menopause patients may be seated in the waiting area located adjacent to the check-in desk.

Bone Densitometry patients should exit back out the double doors and turn right. The waiting area is located on the right at the end of the lobby behind the south elevator bank.
