

The Austin Diagnostic Clinic Rheumatologist, Dr. Christopher Parker invites you to join the

## Austin Gout Education and Support Group

**Primary Mission:** To improve the lives of patients living with gout through wellness education, empowerment, and support from peers.

**Secondary Mission:** Some members strive to not only be models of how to successfully manage gout but to help others identify and manage gout in our community.

- ★ Learn about the latest diet/nutrition advice for patients with gout
- ★ Learn about the latest and/or new medications

---

Saturday, November 21, 2015 from 10am to 11am  
ADC Rheumatology lobby  
12221 MoPac Expressway North,  
3rd Floor, South Entrance  
(inside St. David's North Austin Medical Center)
